While America Celebrates 200 Years, The Tiger Takes a Nostalgic Look at 26 Years of Growth and Development at JHS

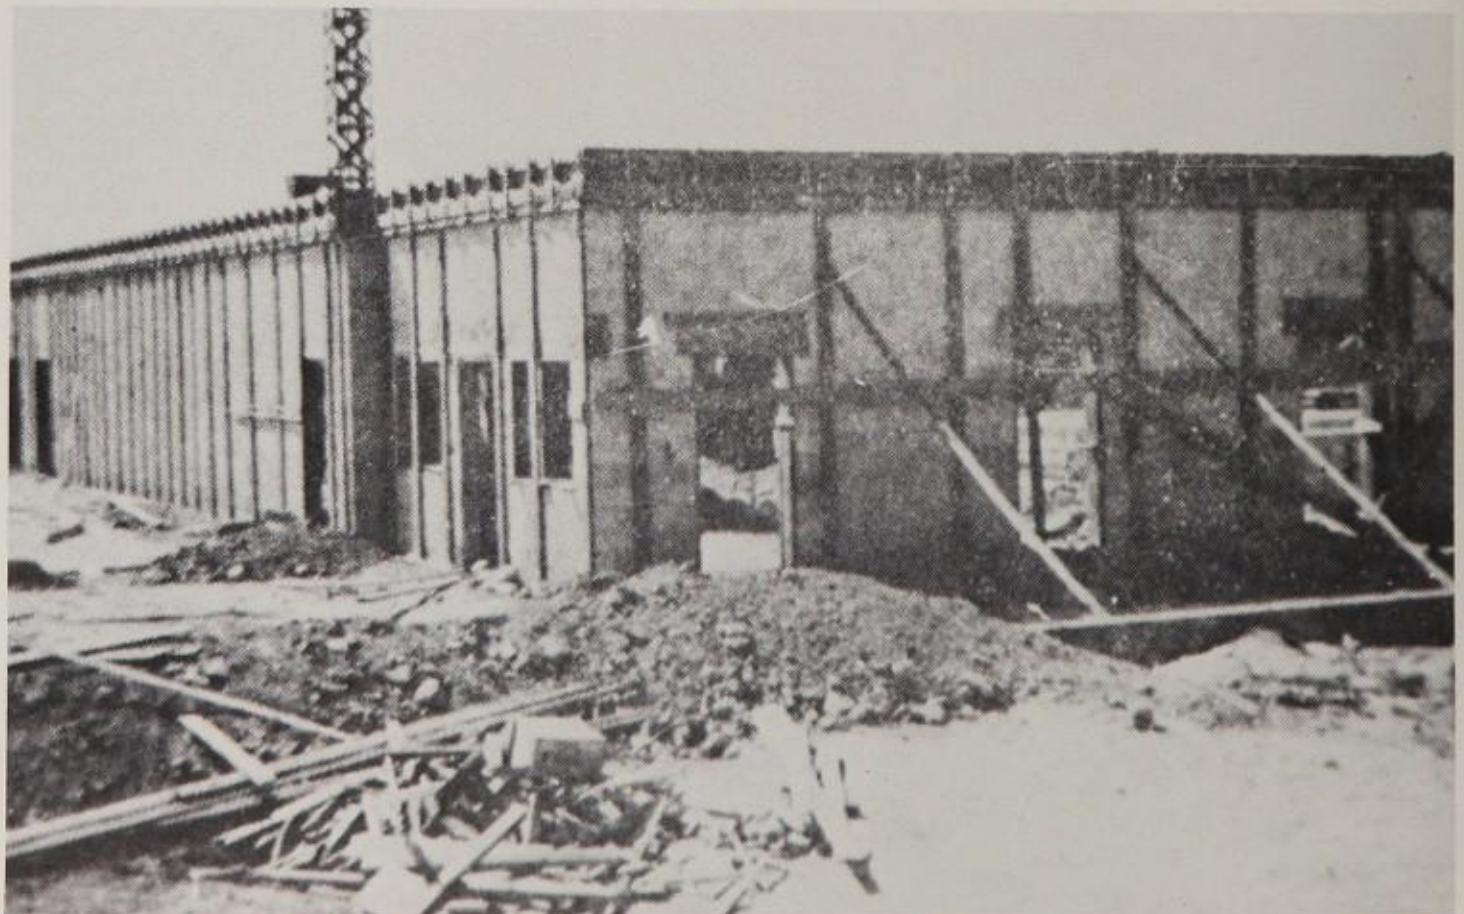

The year of '76 has special meaning to America as well as the students of Jerome High School because this year marks the close of JHS as a three year school. The new high school located east of town will open its doors to freshmen, sophomores, juniors, and seniors in the fall of 1976. For 26 years the two-story high school building served the growing community of Jerome.

Early in 1948, the school board realized that the current high school, in 1921, was seriously overcrowded. Consequently, a \$425,000 bond issue was passed on Oct. 14, 1948, by a 16 to 1 margin. Construction on the new school began in the spring of 1949.

One hundred and three graduates of the class of 1950 received their diplomas in the new high school gym, marking the opening of the new "green" school. From 1950 until 1976 the building has housed two generations of students. Graduation on May 23, 1976, was the last official high school event for the old building which in the fall will become a junior high school.

Many Changes Are Shown in Two and a Half Decades

Jerome High School opened its doors to the first official class in 1951, and since that time several thousand students have entered as bewildered sophomores and left as mature young adults. In 1956 the Annex was built behind the school for Vo Ag, chemistry, and music. Recently the old green building was given a face lift of dark red paint.

On April 30, 1974, a 3.1 million dollar bond issue was passed by Jerome voters to build a new high school on the Gray property east of town. Construction began in the spring of '75 with Mitchell Construction Co. of Pocatello receiving the bid. The new school will have a four year program with over 700 in the student body.

1976, 200 Times Better

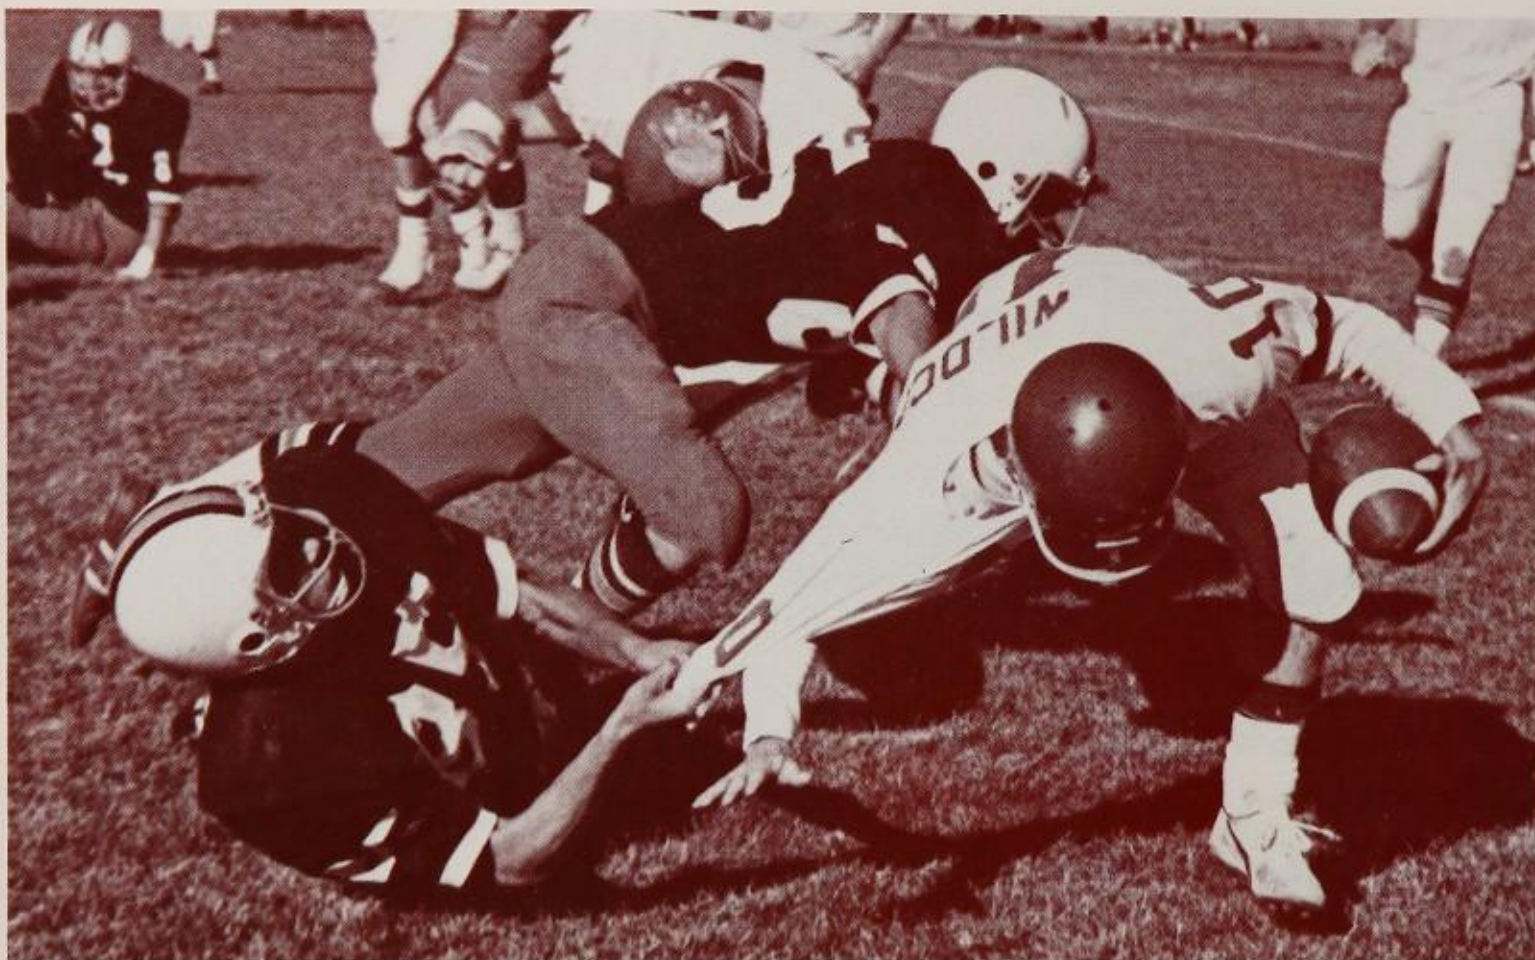

Bicentennial Theme Selected for Homecoming

Homecoming week began with spirit days, assemblies and float building. Revolutionary floats depicted the theme of Homecoming 1976 as being 200 times better than 1776. The seniors won first with their cannon that was shooting for a victory. The juniors' ship who had "not yet begun to fight" captured second and the sophomores with their "Redcoats lose again" theme were third. The spirit of '76 catapulted the Tigers to a 22-12 victory over Filer.

Spirit Days, Ugly Men and Football Highlight Homecoming Activities

Competition was keen between classes for the best of spirit. The seniors as usual emerged victorious and their favorite uglyman Kevin Arave was crowned during intermission at the dance. Melody Barlow was selected as queen with attendants Val Durham and Jill Mecham. Junior Princess was Cammy Harding with Beth Thompson as attendant. Sophomore Princess Luree Allison reigned with Jan Mecham as attendant. Car bashes, football and fun in general made Homecoming '76 something to remember.

JR.-SR. PROM

After months of re-scheduling and preparation, the Junior-Senior Prom was held on May 15, from 8:30 to 11:30. Couples danced to the music of Danskin from Mountain Home. "Beginnings" was the theme of the dance. Pastel Green and Yellow colors, a gazebo, and miniature trees gave the gym a disguise resembling an old fashioned country garden. During Intermission, the Junior and Senior Class Royalty was revealed. This year's Jr.-Sr. Prom will be remembered as one of the most successful in past years.

Senior Class President, Jody Craig, and escort, Chris Trujillo, and Junior Class President, Sharon Yurkevicius, and escort, Richard Sturgeon, lead the Grand March of the Jr.-Sr. Prom.

STUDENT INTERESTS

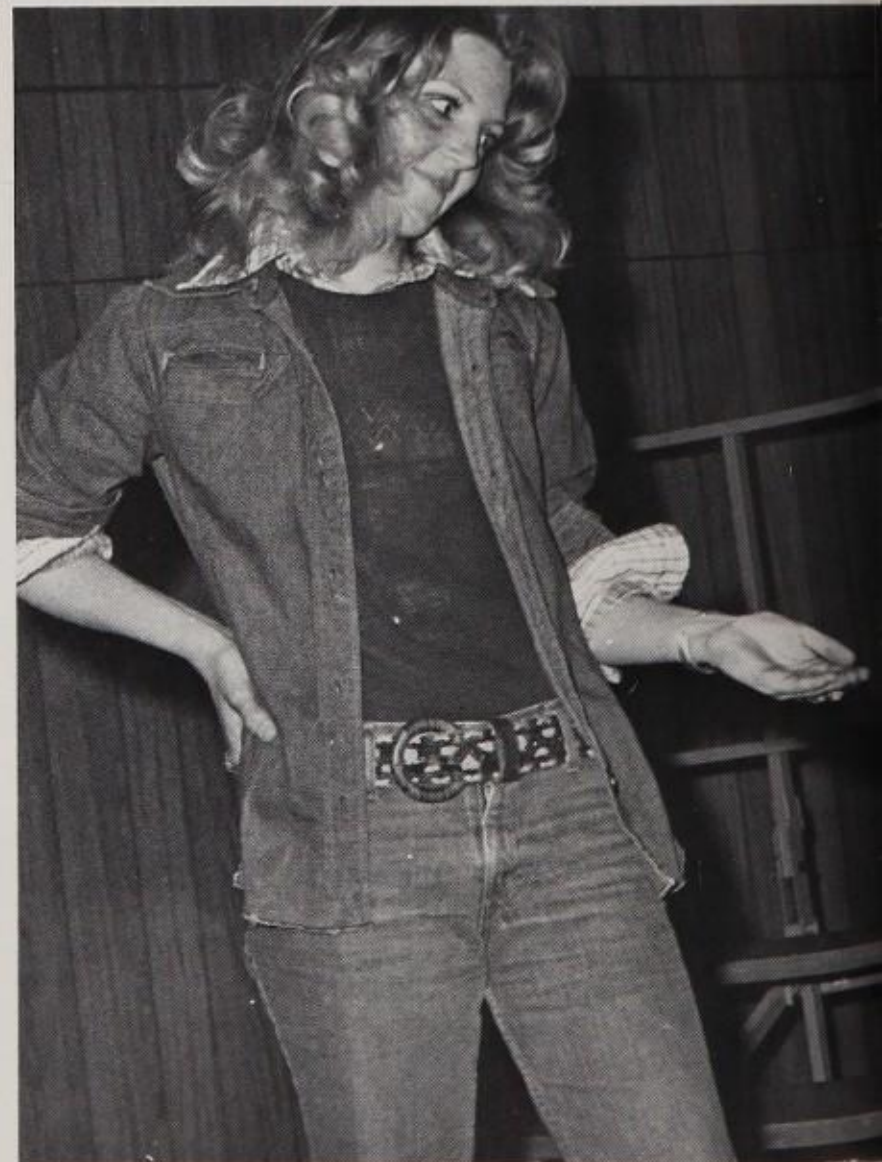

National assemblies consisting of several singing groups provided entertainment and enjoyment from the everyday routine in JHS.

The Honor Society Talent Show revealed hidden talents including "Kung Fu Kevin Kersey" and his brick-smashing success.

The spring monotony was broken by the Bicentennial Language Festival presented by the language students featuring nineteen foreign countries.

Dramatic Productions Presented to Student Body

Adhering to the bicentennial, the rehearsal and performance class presented a three act play entitled "American Dame" in the fall of 1975.

Their one act production entitled "Sorry, Wrong Number" took first in district competition with Deb Handy playing the lead role.

Tom Rosen and Jet Titus put their skills together and produced Abbott and Costello's "Who's on First." They received an excellent rating at state.

The fourth and fifth period Drama classes presented the spring comedy "Kiss and Tell." This play was thoroughly enjoyed by the students and parents alike.

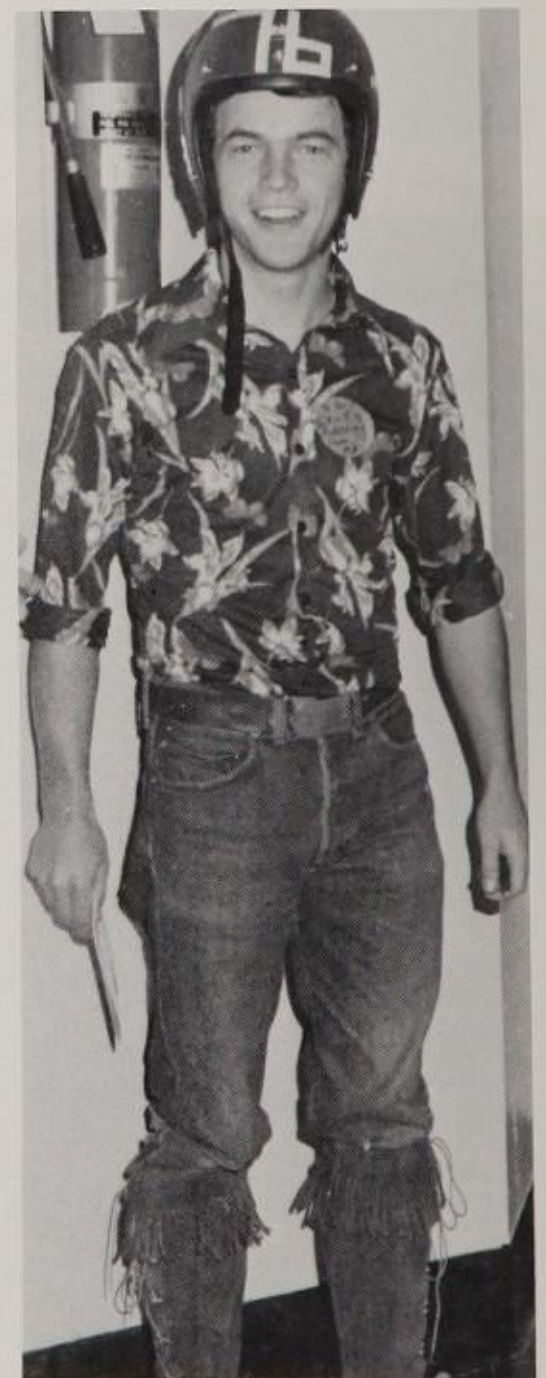

The best actress award went to Sally Robbins and best actor to Tim Thoman. Best supporting actress went to Renee Morse and best supporting actor was Tom Rosen.

AWARDS

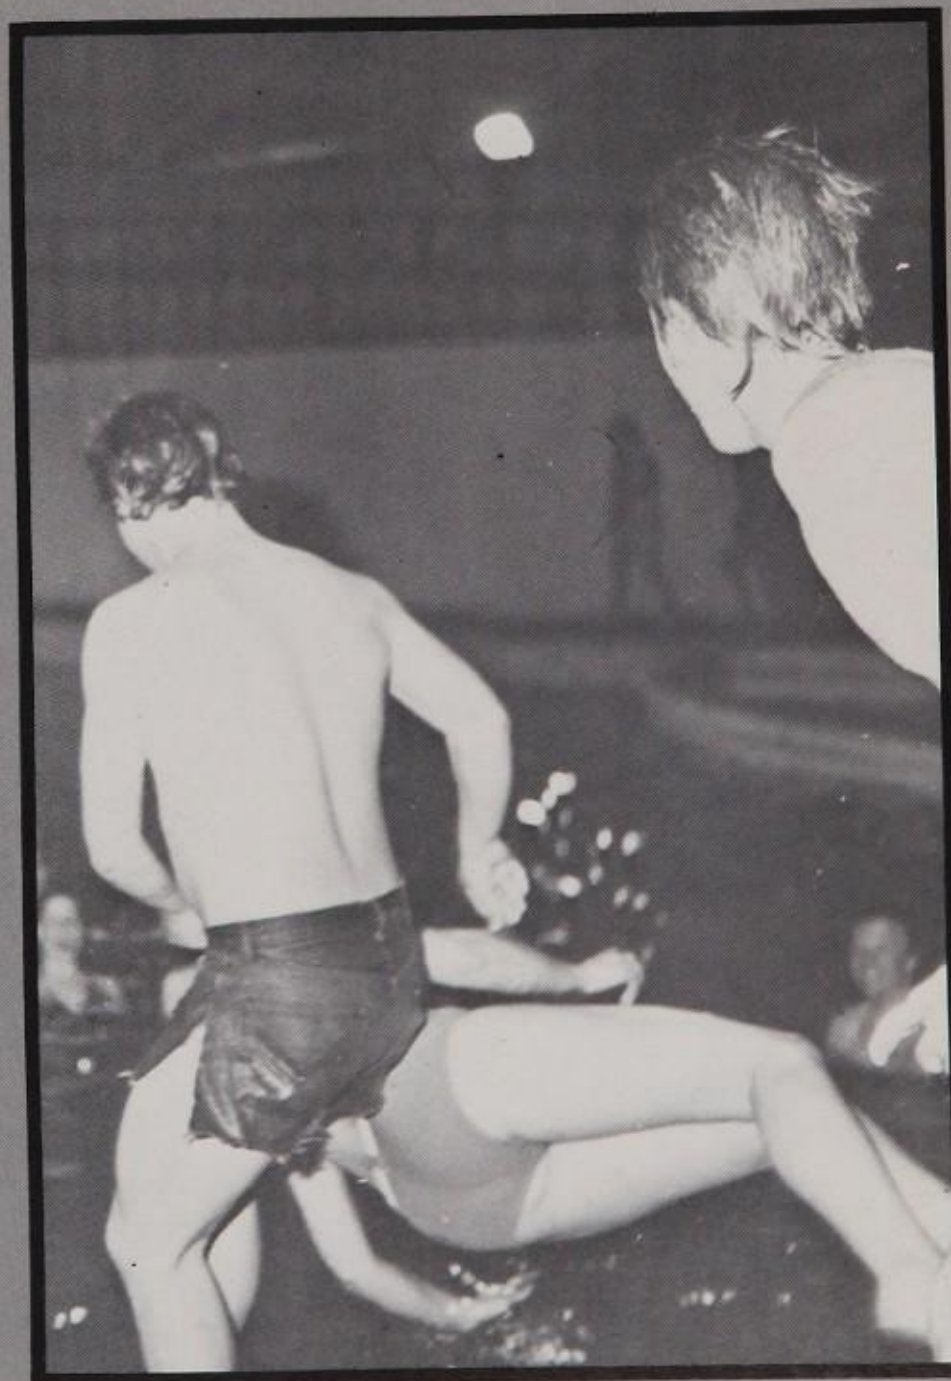

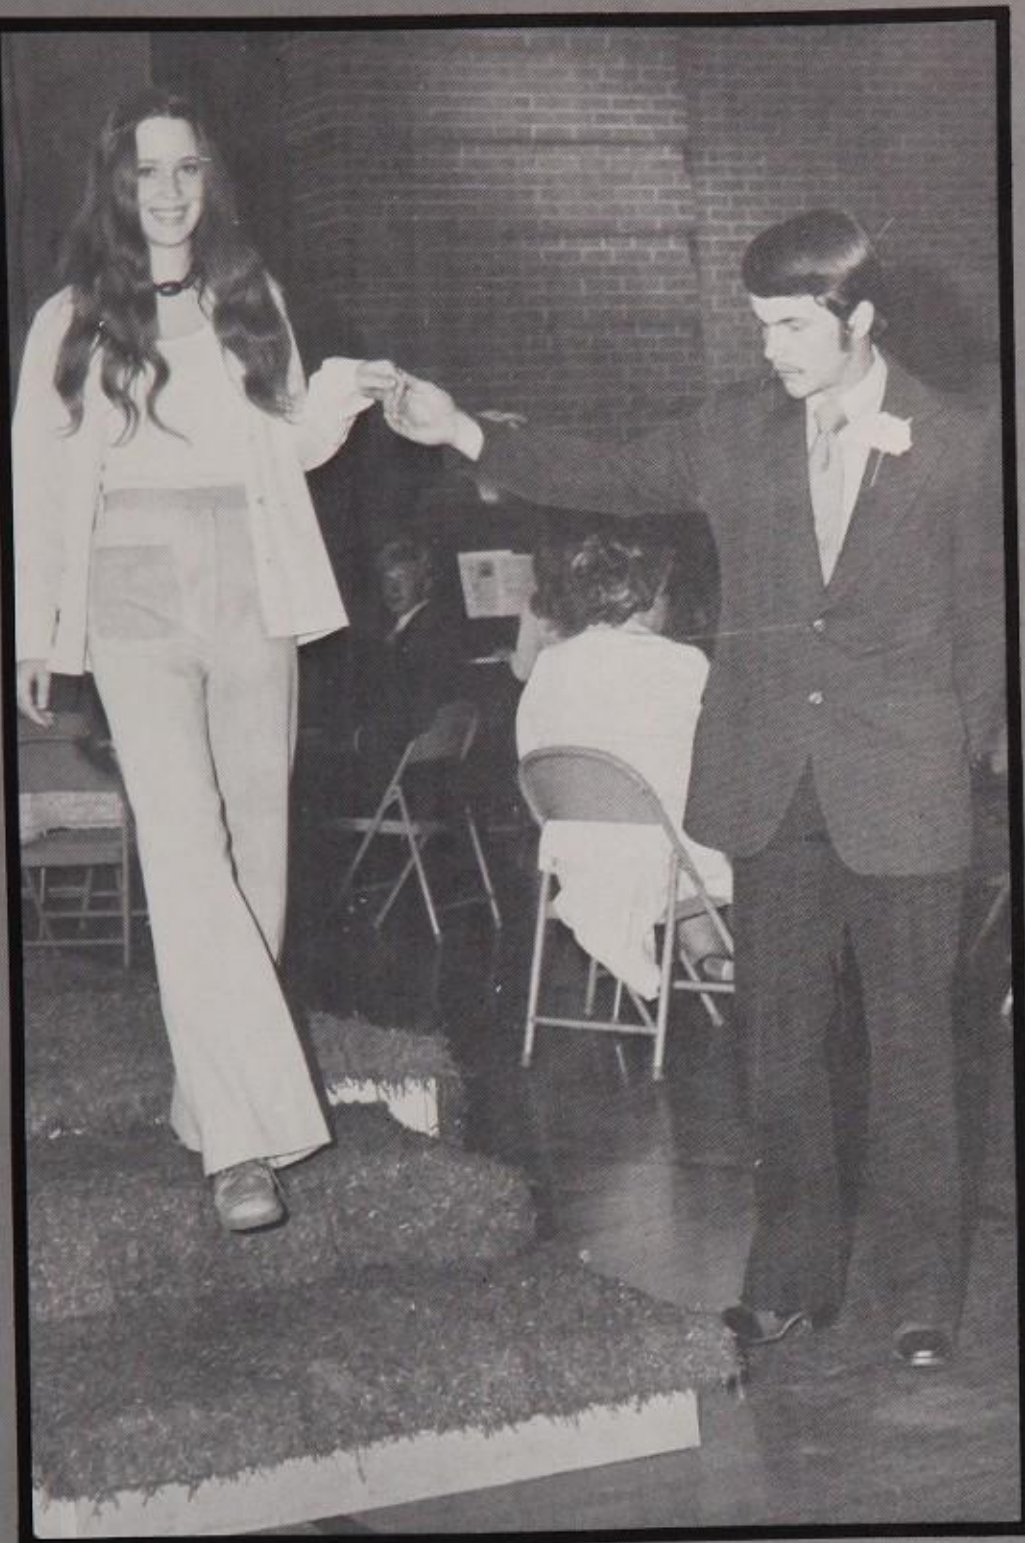

Senior Days Filled with Apprehension and Excitement

The last year for the Class of '76 was overflowing with distinctions. They were privileged in being able to graduate in the year of America's Bi-Centennial, and were the last class to graduate from the present High School. The dreams they kept in their hearts for years were becoming a reality.

The Senior Tea which is held for Senior girls and their mothers, was held on May 7. May 10 was the day for the annual "Senior Sneak." Everyone enjoyed the day away from school at Sligar's. The following night, class members donned formal attire and gathered at the Blue Lakes Country Club for their Senior Banquet. LeRoy Craig gave words of wisdom and inspiration to the Graduation Class. Jeff Hardin, Student Body President, read the Class of '76 Prophecies. Guests regarded the banquet as one of the finest in years.

Although the time to step out on their own was approaching, each Senior thought about the security they were leaving behind, and gathered their courage to challenge the world.

Beginnings . . .

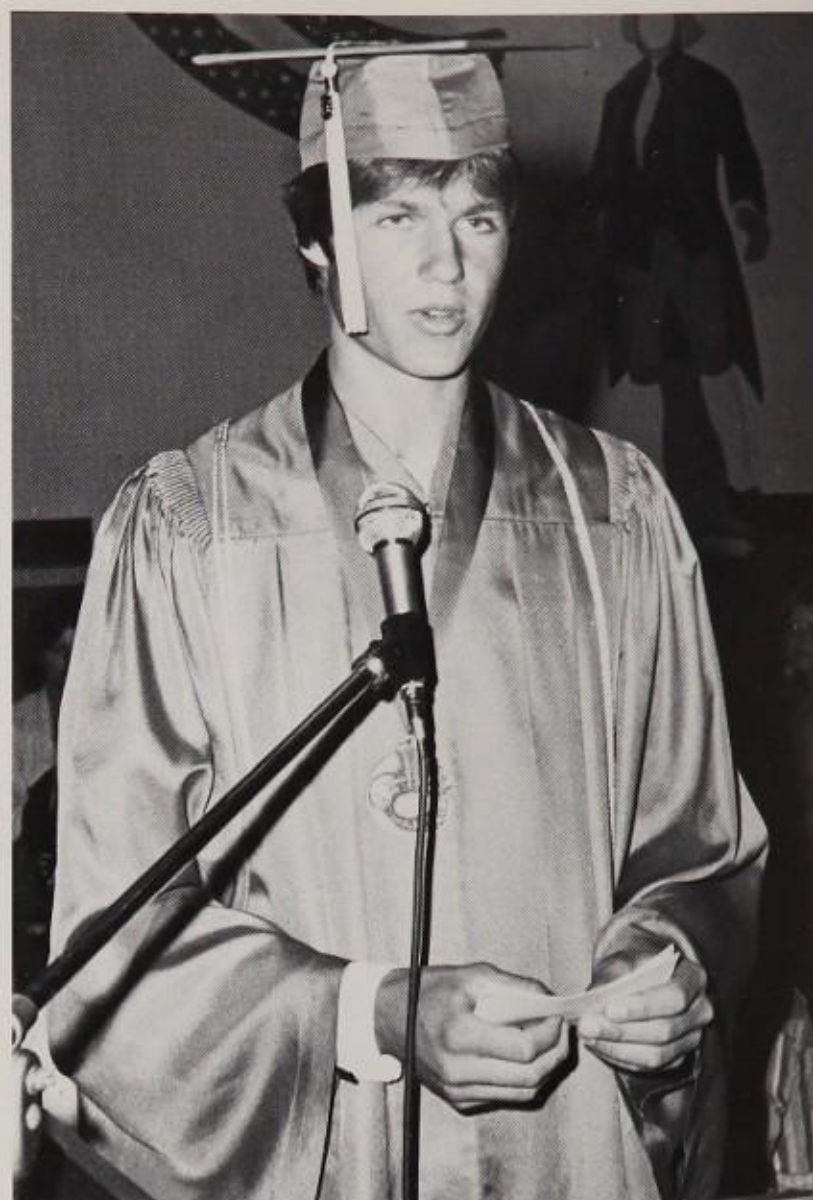

In commemoration of America's Bi-centennial, the Class of '76 showed their spirit by donning bright red and blue gowns for their induction into life, May 23, 1976.

The stage was decorated on Graduation day with a huge flag and revolutionary figures. Red, White, and blue flower arrangements adorned the entire gym.

Rick Larsen, Valedictorian, Jane Last and Ramona Aspiasu, Co-Salutatorians, presented their speeches. Mr. Wes Gates gave the graduates words to live by, Don Baier gave the invocation and benediction, and the Varsity Band presented their version of "Thirteen Stars-Overture to Independence." Spines tingled when the Varsity Chorus and Varsity Band, performed the "Battle Hymn of the Republic." The highlight was the presentation of awards.

Numerous friends and relatives witnessed as 132 young men and women left one life to begin another.

REFLECTIONS

We meet, exchange a few precious and personal words.
Time shows us what love could be and is.
Then we part.
God holds our hearts together,
Then time takes its course.
We follow our own roads, our own lives,
Never seeing each other again.
But we grow old, and our lives have been lived.
Time brings us back those memories,
And we realize that we are still a part of each other,
Even though, through time
Knowledge of each other is gone.

STUDENT BODY PRESIDENT JEFF HARDIN

Jeff Hardin served as student-body president for the 1975-76 school year. He served as master of ceremonies at assemblies and other various school activities. A good leader in student council, Jeff got things going for our last year in this school.

Besides his leadership abilities, he performed in Choraliers and plays the piano exceptionally well.

Boys' and Girls' Staters Experience Government

Girls and boys attending the American Legion sponsored "Staters" Program learn how our government works from the city to the state levels. Participants conduct elections and at the end of each session, they spend a day in the state capitol building passing bills and conducting legislative business. After their return from a week of governmental training, they spend time giving talks to various organizations on their experiences. Those staters who represented JHS are shown below: Alison Rose, Rex Harding, Jody Craig, Nick Frings, Jon Nelsen, Kaylynne Hollifield, Rick Larsen, Ron Bentzinger and Dan Mink. The Spirit of JHS

The cheerleaders of Jerome High School are the guiding spirit of the student body. Every game, meet or match was attended by these girls who give unselfish hours of their time to activities at JHS. During their seventh period class, one could see them training and exercising just like the athletes of sports. Mrs. Parton, who was their advisor, lended a helping hand to the girls. Pictured above are the varsity cheerleaders: Jill McMillan, Teresa Nelson, Carrie Thorne, Janell Newman, and Yvonne Baar. Carrie Thorne has been a cheerleader since the seventh grade and next year will also make the sixth year of cheerleading for Teresa and Janell. The junior varsity cheerleaders are pictured above right: Top, Debbi Hart, Debbie Nelson, and Karen Schelling. The cheerleaders also helped with the Operation Chairlift to get new chairs for the auditorium. A blanket toss to collect money was held at several of the basketball games.

Biology Club Enjoys Fun-filled Week in Oregon

On April 29, the Biology Club embarked on a ten day expedition to the Oregon Coast. During their four days at Beverly Beach State Park, the eighteen members eat fresh mussels and crab, explored tide pools, pressed various plants, and attempted swimming in the ocean.

On the way home, they stopped at Unity Lake to dry things out, and spent two days collecting rattlesnakes and getting sunburns.

Because of the warm weather, this year's Biology Expedition was an outstanding success.

Football Team Has Trying Year

The football team, somewhat short on senior players this year, faced a very difficult season. After last years State Championship team, this year was a rebuilding one for the Tigers. With only a handful of returning lettermen, the inexperienced Tigers displayed lots of spirit in their games. Almost always the young Tigers scored the first touchdown of the game, but with only twenty-five members instead of the usual forty, many of the Tigers played both offense and defense. This undoubtedly caused some tiring which allowed opponents to outscore the Tigers. The future looks more promising next year, with many of the sophomores and juniors gaining valuable experience this season.

JV FOOTBALL

The JV Tiger Cubs, composed of sophomores and freshmen this year, provided the main scrimmage force for the Varsity football team. The JV football team was coached by Denny Stauffer, John Andrew, and Dale Mowrer. The young Tigers ended the year strong with three wins, making their season even with four wins and four losses. Tiger fans should look forward to some great talent from these underclassmen. Above: Willis Stone and Kelly Golay tackle an oncoming opponent.

Tigers Win Another Cross Country Championship

Jerome totally dominated cross country in Idaho during 1975 by winning more major meets than any team before them. For the third straight year in a row the Tigers brought home the State Championship. It will be a long time before any school will ever have a cross country team as good as the 1975 "Tigers". The Junior Varsity squad also had a great season losing just one meet during the year. The Tigers were led by sophomore Mike Thompson, who placed 2nd at the state meet. Pictured to the left is Mike ahead of Buhl runner, Mark Tappen. Senior captains were Rocky Bartholomew and Dan Archambault.

Young Wrestlers Have Successful Season

The Tiger wrestlers faced a rebuilding this year after winning the state championship last year. With only one senior on the varsity squad, the young team compiled a 10-3 dual meet record. Even with an inexperienced team, the Tigers won the district tournament for the third year in a row. Under new head coach John Andrew, eight grapplers qualified for the state meet in Pocatello. They included: Terry Wall 105 lbs, Greg Callen and Keith Harrell 112 lbs, Kevin Vanhoozer 126 lbs, Dan Archambault 132 lbs, Willis Stone 145 lbs, John Crozier 155 lbs, and Mike Garcia Heavyweight. Although Jerome had no one place at state this year, wrestling fans can look forward to a successful year in 77.

Basketball Team Finds Competition Tough

With a lack of experience this year, The Jerome Tiger basketball team faced a rough season. The inexperienced cagers played hard in a tough conference: Even with a disappointing 3-20 record, the Tiger team still placed fourth in District action, edging out Gooding 50-48 this season, the basketball team looks forward to much better year in "77".

JV Team Gains Valuable Experience

The young tiger team placed second at District to end a winning season with a 13-10 record. Jeff Sauer, the only frosh member, proved to be an asset to the tiger cubs. The JV's won the majority of their A-2 games, losing only to the larger A-1 schools. The team looks to a challenging year next year, with JHS moving into the expanded Cross State League.

Track Team Places Third at State Meet

The Jerome High School track team ended the year with a successful season. With an upset victory in district, the tigers tied with Buhl and won the flip of the coin to take the trophy home. Placing third in state, the varsity team put up a good showing against Bishop Kelly and Buhl. The mile relay, the only state championship, was a dead heat with Bishop Kelly, but with another miraculous flip of the coin, Jerome took home the gold medals.

JHS RACKETEERS Take Second at State

The JHS tennis team had a very strong turn out this spring. During the season, the team came up with six wins, four ties, and one loss.

Those who qualified for the State Class B tournament held at Elkhorn in Sun Valley were: Scott Jackson, boys' singles; Patty Hyde, girls' singles; Dusty Addey and Doug Blevins, boys' doubles; Renee Mobley and Julie Wilson, girls' doubles; Steve Orchard and Carrie Thorne, mixed doubles. Renee and Julie came home with first place, Jackson placed second, and Freshmen Addey and Blevins placed third.

Girls' Volleyball Team Takes Second at Regionals

This year under the direction of new head coach Wes Gates, the girls volleyball team compiled a good record of 8-6. Enthusiasm for girls sports has really grown in Jerome High School and this spirit helped the team to second at District and second at Regionals. With mostly Juniors on the Varsity, the team can look forward to a very good year in volleyball next season. Right, Julie Wilson returns a serve.

Girls' Cross Country Takes Second at State

The Girls' Cross Country Team is the most enthusiastic organizations in JHS according to Coach Leon Kytle. They proved their strength by tying for first at conference, placing second at district, and losing first place at state by only one point. The Jerome team was out-run by only two schools during the entire season, and their lowest placing was fourth when competing against 24 teams at the Boise Invitational.

Gymnastics Has Its First Year at JHS

The popularity of gymnastics has made its way to the Jerome High School. Although the team was small, the members showed great potential for future years. The team looks forward to better equipment and a larger turn-out in the new school next year.

The girls competed against Valley, Wendell, Glens Ferry, Wood River, and Twin Falls.

Jerome High School fielded its first girl's basketball team in 1975. Inexperienced as they were, the girls still compiled a record of 8 wins and 10 losses, including the district tournament.

All of their competition, with the exception of two games, was against more experienced teams and schools who have had basketball programs for some time. Gaining valuable knowledge, the girls look forward to a promising season next year.

The girl's JV basketball team showed strong potential for future seasons by finishing their first year with a record of 11 wins and 4 losses. Comprised mostly of freshmen, the JV girls were coached by Wes Gates. A lack of experience didn't hamper their enthusiasm or spirit, and most of them will be on the varsity squad next year.

GIRLS' TRACK '76

Although the entire girls' track team did not excel at the state meet, Sophomore Karen Schelling proved her strength by placing first in the shot put with a throw of 34 feet, 4 inches; Sherri Ward placed third in this event. Becky Last finished third in the mile run, and the team placed seventh in state. Several school records were also broken at the meet. The team is looking forward to a very strong season next year with many returning underclassmen.

**THE
FACES...**

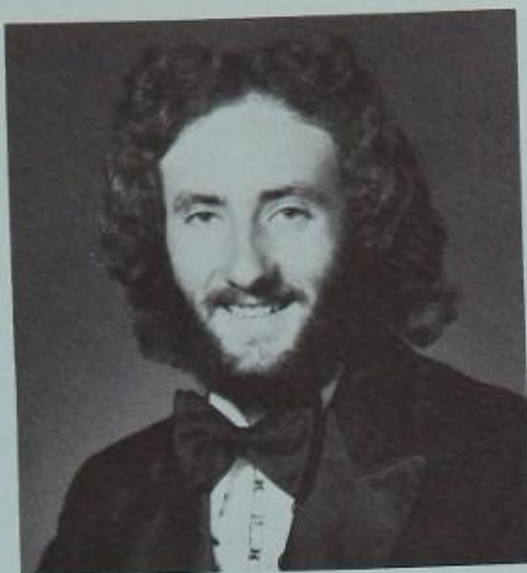

The final year of high school for the Class of '76 was filled with reminiscing about the past and looking forward to their lives ahead. This class is the last class to graduate from the present three year school.

The seniors dominated Homecoming by placing first in spirit day and taking first with their float depicting a football field with a cannon "spotting for a victory." The Operation Chairlift Auction raised enough money to buy a chair from the senior class and a profit of \$60 for the senior activity fund. The Jr. Sr. Prom held on May 15 was an alumni dance and one of the most successful ever. The Blue Lakes Country Club was the setting for the Senior Banquet held on May 11. A fun filled senior day was held at Banbury's. The highlight of any senior's career is Graduation which was held on May 23, 1976 at 2 p.m. The old gym saw it's last graduating class on that day, and as the seniors left the life of JHS, they began another new life. Officers for the first semester were: Pres., Dan Mink; VP Sylvia Walters; Sec.-Treas. Denise Fritsler; Senators Tammy Malone and Alison Rose. Second semester officers were: Pres. Jody Craig; VP Rick Larsen, Sec.-Treas. Linda Doughty; Senators Jane Last and Candi Thoman

SENIORS OF THE MONTH

"Seniors of the Month" is a program sponsored by the Elks Club designed to recognize an outstanding Senior boy and girl every month. Each student is given a Certificate of Achievement for their efforts. At the end of the year the Faculty names one girl and boy whom they feel is deserving to be "Teenager of the Year." This year, the honor went to Rick Larsen and Ramona Aspiasu. They were each awarded a \$25.00 Savings Bond.

Front Row: Carrie Thorne, September; Alison Rose, October; Ramona Aspiasu, February; Kaylynne Hollifield, December; Melody Barlow, November; Diana Greenawalt, May; Jody Craig, March.

Back Row: Jill Mecham, January; Chris Clark, May; Tom Thackeray, April; Tim Nutsch, January; Val Camp, March; Rick Larsen, November; Kevin Arave, December; Nick Frings, September; Jon Nelsen, February; and Cathie Cummins, April. Not pictured is Gary Moe, October.

On Junior Spirit Day during Homecoming, spirited juniors appeared at JHS with balloons and bubble gum to go with their theme: "Blow Up With Junior Spirit." Many hard hours were spent preparing a float which followed the Bicentennial theme. A tiger portrayed John Paul Jones with the slogan, "We Have Not Yet Begun To Fight." With combined energy, the juniors captured second place in both spirit day and float.

Much time, effort, and money went into the Operation Chairlift project. Being the first class to graduate from the new school, the juniors became ambitious and raised the most money for the auditorium chairs. Their reward was a day off from school. The juniors also dominated most of the sports with the majority of participants in athletics coming from the junior class.

As seniors, they look forward to being the first class to graduate from the new high school in 1977. The junior class officers are: Renee Mobley, Sec.-Treas., 1st sem.; Linda Jorgenson, Senator, 1st sem.; Vicky Mogensen, Senator, 2nd sem.; Laura Sullivan, Senator, 1st sem.; Sharon Yurkevicius, Pres., 2nd sem.; Dianne Bragg, VP, 2nd sem.; Amalea Wright, Senator, 2nd sem.; Lorraine Jensen, Sec.-Treas., 2nd sem.; Doug Felder, Pres., 1st sem.; Robert Sonnichsen, VP, 1st sem.

JUNIORS

The 1975-76 school year had a special meaning to the sophomores because it was their first year in the high school building and also their last year in the old green school.

Homecoming found the halls decorated with tin cans and posters expressing their theme "Sophomore Spirit CAN Do It." Many hours devoted to their float with a bicentennial theme of "Redcoats Lose Again" gave them third place in the parade. Spring was highlighted by the arrival of class rings and the Sweetheart Ball.

As Juniors next year, they are looking forward to the new school and a step closer to the class of seventy eight. Class officers pictured above left to right: Marty Humphries; VP 1st semester; Rod Mink, pres. both semesters; Victor Alftin VP 2nd semester; Jan Mecham, and Brenda Merkley, senators both semesters; Becky Clark, 1st semester sec.; Janice Nelsen, 2nd semester sec.

Administration and School Board Concerned with Present and Future

Jerome schools were headed by a new superintendent this year. Mr. Percy Christensen came from Hansen to take the reins of Joint School District 261. Mr. Christensen, along with Principal Jerry Diehl and Vice-principal Bill Emerson, provided the leadership to close out the era of the old Jerome High School and to prepare for the move to the new high school in the fall of 1976. Special recognition must also go to the school board who spent long hours of their time making decisions and policies to run the school district.

Right, Mr. Christensen, Mr. Diehl and Mr. Emerson.

Left to Right: Warren Hart, Alvin Chojnacky, Jack Thomason, Lyle VanOrman, Jerry Callen, Warren Kays, Supt. Percy Christensen.

SCHOOL SERVICES

Janitors: Bill Royce and Don Henson.

Left to Right: Frank Zirkle: Psychologist; Robert Lawson: Special Services; Jackie Cullison: Speech Therapist.

**This school has been good to us,
The many years that each of us have spent here,
Have taught us many wonderful things.
About Math and History, but mostly about life.
We shall always hold deep in our hearts,
The times given to us here.
There have been times to laugh, and
Times to be serious,
Times to love and to cry,
Times that may never pass our way again.
Let us pray that the future, also, will
Be good to us,
And that each sun will always shine to
Greet a new day.
Our voices will echo in these halls for many years,
May our memories always remain with us.**
